

BORROW

Insurance is available through State Farm, Borrow's corporate partner. Additionally, the vehicles can be added to a current comprehensive auto policy.

In this case the please note that:

- The coverage must be comprehensive, with coverage limits of \$100,000/300,000/\$100,000 for property and bodily damage
- Prazo Inc. must be listed as an additional insured party on the policy

If Prazo cannot be added as an "additional insured," the insurer may use other designations like "lien holder," "interested party," "lessor," or "stakeholder." Prazo must be listed on the policy as the car is registered with that company and they are the party that needs to be paid out if the car is damaged or totaled, not the driver.

Rental car insurance is unfortunately not sufficient. Borrow is not a rental agency as the customer is keeping the car for longer than 28 days.
